

# BEST FOR BABY

Vital Baby has everything in their Award Winning range that a family needs to feed their little one from birth through to the toddler years. The Vital Baby 8 Piece Start Weaning Kit has WOWED over the last year, winning not only GOLD in the Prima Baby Awards but also GOLD in the 2017 Mother & Baby Awards. To compliment Vital Baby's Award Winning feeding range, the 2 in 1 Steam and Blend has been launched. Steaming is the ideal way to make your baby's food as fewer nutrients are lost and fruits and vegetables retain more of their wonderful flavours and colours. Steaming and blending in the same jug has the added advantage of saving time and washing up and we know all parents appreciate that!

Working with their In-House Weaning Expert, Dr Rana Conway, Vital Baby have exclusive recipes that ensure that the 2 in 1 Steam and Blend makes life easier and healthier for your little ones. Once you have made your meals in the 2 in 1 Steam and Blend, you can divide your creation into portions by using one of their many storage solutions. Vital Baby has many options for storing and freezing food from 1oz portion Press 'n' Pop Mini Freezer Pots to larger pots such as 2oz Twist 'n' Lock Freezer Pods with Tray or the large 6oz Prep and Go Food Pots. Whatever stage baby's weaning is at, Vital Baby has a solution. Vital Baby's Multi-Award winning, clever Unbelievabowl™ suction onto any smooth, flat surface and is now also

available with a spare bowl designed to work with the suction base, a lid and hygienic spoon cover.

It really works!!! As well as a colourful, innovative and fun feeding range, Vital Baby have an extensive range of cups, including a range of non-spill trainer cups which have been designed to grow as baby grows and each includes a smooth flow, non-spill VitalValve™ which can be easily removed for free flow drinking and cleaning.
