

Milton Antibacterial Surface Wipes

For surfaces and objects
*100% Biodegradable**

Function :

The Milton wipes are specially formulated to clean and protect from germs. Ideal for quick clean ups around the house, or when away from home. (High chairs, changing mats, toys, toilets, stereoscopes, bins potties, door handles). The wipes can also be used to disinfect kitchen items or kitchen hygiene surfaces.

The wipes are impregnated with an antibacterial and anti-fungi solution which doesn't leave any residue or stains after drying.

Not Formulated for use on skin
Bleach Free
